

Date: 14/02/25

Not In Attendance: oj54

What's Been Done since the Previous Meeting:

<sw734>:

- . Minutes on the corpus are up to date
- . Made progress on index.html page

<lj330>:

- . working on add to cart & checkout feature

<mz300>:

- . Reservation emailer fully works
- . Added booking confirmation page

<oj54>:

<oh219>:

- . Progress on super admin & admin login

What's Being Done:

<sw734>:

- . Going to begin the technical report

<lj330>:

- . Finishing of the add to cart / checkout feature

<mz300>:

- . Bug fixes
- . Add more validations to the reservation's page / controller

<oj54>:

<oh219>:

- . Needs to fix admin & super admin login

Further Discussion:

- . Talked about what we should aim to do next
- . Admins can now login but still can't see anything, needs fixing asap as people need to add features to the admin panel
