

Date: 22/11/24

Not In Attendance: oh219

What's Been Done since the Previous Meeting:

<sw734>:

- . Added reviews table to the database script
- . Added model & controller for retrieving reviews from the db
- . Added some data into the reviews table
- . Added the logic for dynamically loading reviews onto the home page & it works
- . Begun making a page for submitting a review

<lj330>:

- . Work on home page

<mz300>:

- . Work on reservation system

<oj54>:

- . Work on menu(s)

<oh219>:

- . Planning on a way to add an admin login

What's Being Done:

<sw734>:

- . Finishing the submit review page

<lj330>:

- . Adding dynamic content to the home page

<mz300>:

- . Adding onto reservations page

<oj54>:

<oh219>:

- . Finish off the footer

Further Discussion:

- . Been a slow week, discussions on getting consistent were had. Aiming to try & do at least a little a week so the project is constantly moving forward
